ICT CORNER

HUMAN REPRODUCTION

Baby's Journey to the world.

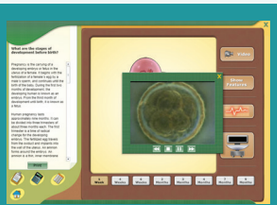

Procedure:

Step 1: Use the **URL** or scan the **QR** Code to launch the **"Stages of Development before Birth"** activity page.

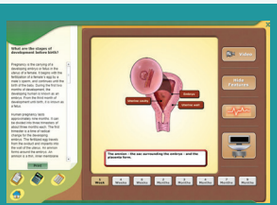

Step 2: **On the right of the window, Click "Video" and view the development of embryo during that particular stage.**

Step 3: Click "Show Features" to know the parts. Click **"Heartbeat-Symbol"** to hear the heartbeat of the embryo at that particular stage. Click **"Weighing Machine"** placed below to know the weight of the offspring at that stage.

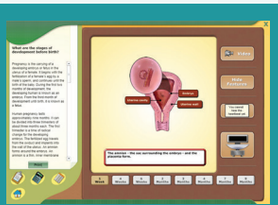

Step 4: Repeat the above steps with the different weeks by clicking the respective week tabs placed below.
