Dear Students!

There is a wonderful treasure on your hands now in the form a text book, which is going to make you a really resourceful and an able person in future. You have to believe it first so that you can develop a multi-dimensional personality in your own self with a thorough knowledge in Commerce.

This is for you to know, how you could make use of the book for the best understanding of various useful and valuable knowledge sources hidden within the text. These tips would certainly make a difference in you while learning the units, lessons and relevant concepts thereof.

Actually the book is divided into 10 Units, 33 Chapters where in there are several sections are written in a student friendly way. An attempt is made here to explain how to use them for a better learning experience.

## HOW TO USE THE BOOK

**UNITS**

The units are broad heading of the book which contains several Chapters in each of them so that you can understand the section specific knowledge in various parts of Commerce Education. This is the usual way of learning. There are three Chapters, for example, in Unit I, which gives you the basic and introductory aspects of Commerce Education. Similarly the remaining Units give you the specialized knowledge on the different Unit headings so required at the level of Eleventh Standard. Omission any unit may lead to loss of knowledge continuity.

**CHAPTERS**

All the 33 Chapters in the book are a real treasure for one who wants to learn the theory and practice of Commerce today. So you have to look into these chapters as useful, informative and capacity building capsules in any individual student who wants to learn the elements and fundamentals of Commerce. Omission of any Chapter would lead to loss of knowledge in real terms and other related benefits.

**SUB-HEADINGS**

These headings are given for you to remember the major divisions of a chapter with conceptual clarity and information sequence in an orderly manner so as to arrange your learning method made easy. So you have to learn the subject content of a chapter, mainly based on the 'sub-headings' of a chapter. This is the simple way of learning.

This section of the Chapters in general would give you various tips on the present or past events or bits of useful information in the field of Commerce so relevant to the subject matter discussed in a specific Chapter, of course in almost all Chapters.

**SUCCESS STORY**

This section is an attempt to explain you how some people or organisations have been able to grow from nothing to top today and those who set an example by their way of becoming the role models. You can understand the way of growing and also you can follow such role models for achieving your own future ambition.

**Case study**

This section is given to test your 'applied knowledge' on the subject matter of a Chapter or Chapters wherein you have to think and analyze about the case and give your best ability to understand the situation and explanation thereof / relevant answers so as to depict yourself as a student with practical knowledge or applied knowledge on the chosen case study.
