24.04 Classification Based on Technology Adopted

24.05 Classification in terms of Motivation

24.06 Classification Based on Development Stage

24.07 Classification According to Area

24.08 Classification According to Ownership

Entrepreneurs in business are different according to the type of activity undertaken by him/her. Though the word entrepreneur is a general term, they are called by different names depending upon the function they perform; business they engaged in; technology they adopt; the area they start the venture; the level of development they achieve in the venture; type of ownership held and motivation given to them. Besides each of the above type is sub classified as shown in the chart.
