Government of India's Support for Innovation and Entrepreneurship in India

The Government of India has undertaken several initiatives and instituted policy measures to foster a culture of innovation and entrepreneurship in the country. Job creation is a foremost challenge facing India. With a significant and unique demographic advantage, India, however, has immense potential to innovate, raise entrepreneurs and create jobs for the benefit of the nation and the world.

In the recent years, a wide spectrum of new programmes and opportunities to nurture innovation have been created by the Government of India across a number of sectors namely,Agriculture, Chemicals, and Fertilizers, Finance, Commerce and Industry, Communication and Information Technology, Corporate Affairs, Culture, Food Processing, Housing & Urban Poverty Alleviation, and Science & Technology etc.
