ICT CORNER

APPLICATIONS OF BIOTECHNOLOGY

A Transgenic fly. Come let us create and use

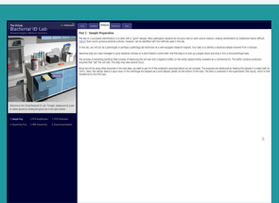

Procedure :

Step -1: Type the **URL** or scan the **QR** code to open the activity page and click **"Click** to enter the **lab"** to begin.

Step -2: Click wherever the cursor symbol becomes as **"Hand"** symbol as that would lead for the next step.

Step -3 Follow the instructions for all the six steps **"Prepare DNA** to Examine Light Output".

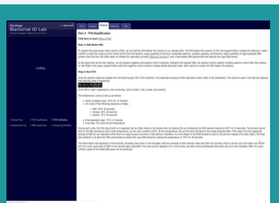

Step – 4 : Explore the **"Use Transgenic flies"** a dialog box option found below the lab area to know uses.
