(f) Ashe Murder

Repression of the Swadeshi efforts in Tuticorin and the subsequent arrest and humiliation of the swadeshi leaders generated anger among the youth. A plan was hatched to avenge the Tirunelveli event. A sustained campaign in the newspapers about the repressive measures of the British administration also played a decisive role in building people's anger against the administration.

Vanchinathan

In June 1911, the collector of Tirunelveli, Robert Ashe, was shot dead at Maniyachi Railway station by Vanchinathan. Born in the Travancore state in 1880, he was employed as a forest guard at Punalur in the then Travancore state. He was one of the members of a radical group called Bharata Mata Association. The aim of the association was to kill the European officers and inspire Indians to revolt, which they believed would eventually lead to Swaraj. Vanchinathan was trained in the use of a revolver, as part of the mission, by V.V. Subramaniam in Pondicherry.

After shooting Ashe at the Maniyachi Junction, Vanchinathan shot himself with the same pistol.

The aftermath of the Assassination

During the course of the trial, the British government was able to establish that V.V.S and other political exiles in Pondicherry were in close and active association with the accused in the Ashe murder conspiracy. The colonial administration grew more suspicious with the Pondicherry groups and their activities. Such an atmosphere further scuttled the possibility of nationalistic propaganda and their activities in Tamil Nadu. As a fall-out of the repressive measure taken by the colonial government, the nationalist movement in Tamil Nadu entered a period of lull and some sort of revival happened only with the Home Rule Movement in 1916.

Summary

- The swadeshi campaigns in the wake of partition of Bengal are watershed moments in the history of anti-colonial struggles.
- Besides building new techniques of political propaganda, the movement also gave impetus to carry on a sustained resistance even in the Gandhian phase of freedom movement.
- It was also a communication revolution as the Swadeshi movement resulted in a shift from English to swadeshi language (regional language) as the medium of political propaganda.
- The swadeshi movement also led to the emergence of youth who remained fascinated by the idea of taking to violence.
- The swadeshi atmosphere richly contributed to an interest in history, literature, and poetry on patriotism and nationalism in vernacular languages.
- The militants, however, failed to connect the nationalist slogans with larger economic grievances and the mass contact programmes, as the British unleashed violence against the nationalists.
- The use of religion and religious symbols to mobilize the Hindus alienated Muslims.
