10.01 Meaning And Definiton of Recruitment

Recruitment is the process of finding suitable candidates for the various posts in an organisation. It is a process of attracting potential people to apply for a job in an organisation.

It acts as a link between job provider and job seeker. It encourages the prospective employees to apply for the job. Then the organisation scrutinises the applications received and the suitable candidates are shortlisted for selection. The following are some of the definitions of Recruitment.

According to Edwin B. Flippo, "It is a process of searching for prospective employees and stimulating and encouraging them to apply for jobs in an organisation."

Reasons Behind Recruitment :

There are different reasons why vacancy arises and they are

i. Retirement of an employee
ii. Death of an employee
iii. Resignation of job by an employee
iv. Disablement of an employee
v. Dismissal of an employee

10.02 Recruitment Process
