vii) Vestibule Training Method

Vestibule training is training of employees in an environment similar to actual work environment artificially created for training purpose. This type of training is given to avoid any damage or loss to machinery in the actual place by trainees and avoid disturbing the normal workflow in the actual workplace. It is given to Drivers, Pilots, Space Scientists etc.,

viii) E-learning Method

E learning is the use of technological process to access of a traditional classroom or office. E learning is also often referred to us online learning or web based training. E learning training courses can save lakhs and lakhs of rupees to an organizations as they no longer have to pay for over time or costly seminar to improve employees skills. Under this type of web based training is anywhere and any time information can pass over the internet.

ix) Demonstration Training Method

This method is a visual display of how something works or how to do something. Demonstration involves showing by reason or proof explaining or making clear by use of examples or experiments. As an example, trainer shows the trainees how to perform or how to do the task of the job.

x) Programmed Instruction Method

Under this method, the subject matter to be learnt is presented in a series of units. These units are arranged from simple to complex level. It consists of three parts: Presenting facts, New knowledge and Question and Answer. Trainee has to read the unit understand the concept and take part in self-evaluation exercise. The system provides feedback on the accuracy of response given by trainee. On the successful completion of each and every unit, he/she will go to subsequent level. If hey forget, they should go back to original information. If they do not forget the information they are allowed to go to the next step for learning. Programmed instructions is made available in printed form i.e books, table, interactive video and other formats. Besides there are number of other advanced methods of training of the employees which will be taught to students in their higher studies
