(f) Steps to regulate inflation

(g) Tax reforms

(h) Abolition of License

Globalization and liberalization are concepts closely related to one another, and both globalization and liberalization refer to relaxing social and economic policies which results in better integration with an economy and between nations. Globalization and liberalization both occur as a result of modernization. Globalization is the greater integration among countries and economies for trade, economic, social and political benefits. Liberalization generally refers to removal of restrictions; usually government rules and regulations imposed on social, economic, or political matters.

Key Words

FDI, TRIPS, TRYSEM, GATS

The former Prime Minister of India Dr.Manmohan Singh is considered as the architect of Indian economic reforms who introduced the policy of liberalisation in India in 1991.
